5 mm Full Screen PANOVIEW PLUS Telescopes

Full Screen image, distortion-free • Superior optical quality • Fully autoclavable • Robust and reliable

5 mm Full Screen PANOVIEW PLUS Telescopes

Full Screen

According to the "less-is-more" principle and despite an external diameter of "only" 5.3 mm, our new PANOVIEW PLUS telescope provides bright, distortion-free, Full Screen images comparable with images produced by a 10 mm telescope!

Superior Optical Quality

For many years, we have been renowned for telescopes with brilliant illumination and bright, high-resolution images. The optical qualities of R. WOLF endoscopes and their manufacturing methods are unique worldwide.

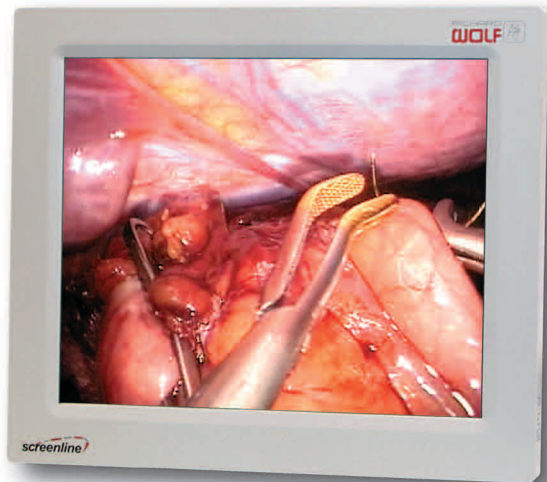

Fully autoclavable and a long service life

State-of-the-art manufacturing processes ensure superior reliability for optimum performance even after many sterilization cycles.

PANOVIEW PLUS Telescopes
